## PROFESSIONAL SUMMARY

**AI-Driven Full Stack Developer** with **4 months** of experience, specializing in Backend using **Nest.js & Express.js** and Frontend with **React.js & Next.js**. Highly proficient in database, authentication, and performance optimization for delivering scalable apps.

## PROFESSIONAL EXPERIENCE

### 6sense Technologies

Frontend Developer Intern

Rampura, Dhaka, Bangladesh

August 2025 - December 2025

- Participated in Agile sprints, contributing to planning, standups, and testing to maintain code quality and consistency.
- Developed two internal projects, focusing on scalability, optimized performance, and clean frontend architecture.
- Collaborated with developers, designers, and managers to deliver responsive and high-quality frontend solutions efficiently.

## CORE SKILLS

**Programming Languages:** JavaScript, TypeScript, SQL

**Frontend Development:** HTML/CSS, React.js, Next.js, Redux.js, Redux-Toolkit, RTK Query, Tailwind CSS

**Backend Development:** Node.js, Nest.js, Express.js, REST APIs, JWT Auth

**Database Management System:** MongoDB, Mongoose, PostgreSQL, Prisma

**Version Control & Collaboration:** Git, Github, Trello, Jira, Postman

**Languages:** Bengali, English

## PROJECTS & OUTSIDE EXPERIENCE

### Backend Stories - Blog Website - [Link to project](#)

- Developed a scalable frontend using Redux Toolkit and RTK Query, state management and dynamic content rendering.
- Integrated structured APIs to blog post delivery and maintain data flow, enhancing user experience and frontend performance.

### AAL Young Kingz Website - [Link to project](#)

- Developed the frontend structure of a school website using Next.js, enabling smooth future integration of backend APIs.
- Implemented a component-based architecture for scalable, maintainable SSR/backend with optimized data flow.

### On Time Hiring - Hiring Solution - [Link to project](#)

- Developed a scalable frontend architecture using Next.js & TailwindCSS, enabling seamless interaction with a RESTful API.
- Implemented UI/UX for job posting, applicant tracking, dashboard features, enhancing usability for recruiters & job seekers.

## EDUCATION

City University, Bangladesh

Bachelor's, Computer Science & Engineering

- Major in Software Engineering

December 2019 - June 2024

## CERTIFICATIONS

- Next Level Web development - Programming Hero
- Data Structures and Algorithms with JavaScript - JS Bangladesh
- Complete Web Development - Programming Hero
- Responsive Web Design - Creative IT Institute

## ACHIEVEMENTS

- Top 5%** with a "**Black Belt**" achiever in the **Complete Web Development** course from Programming Hero.
- Featured as a **Successful Student** in Creative IT Institute's **Responsive Web Design** course on their **YouTube channel**.
- 1st Place**, Inter College ICT Olympiad (2019), European University of Bangladesh - for top performance in **software & ICT**.
